Zazendi is a brand that creates bags and accessories for the woman who appreciates style. As our company motto expresses: "Luxury-it is in the details". Founded in 2000, by Susan Fisher, a first class global traveler, for both business and pleasure.

At Zazendi, we strive to reintroduce the luxurious feminine experience to the drawer and to travel. A coordinated set of Zazendi accessories imparts a sense of luxury, indulgence, a practicality to the otherwise tedious chore of staying organized. Thus, whether its a trip to Fiji, a short hop to Kansas City, or basic home organization, having soft, beautiful travel accessories adds an element of beauty and pleasure. Zazendi accessories are crafted with superior craftsmanship and unique design. All items can be personalized with monograms.
